

C. The Board of Directors of ASSOCIATION shall establish an Annual Budget in advance for each fiscal year which shall correspond to the calendar year, and such Budget shall project all expenses for the forthcoming year which may be required for the proper operation, management and maintenance of the CONDOMINIUM, including a reasonable allowance for contingencies and reserves, such Budget to take into account projected anticipated income which is to be applied in reduction of the amount required to be collected as an assessment each year. Upon adoption of such Annual Budget by the Board of Directors of ASSOCIATION, copies of said Budget shall be delivered to each owner of a DWELLING and the assessment for said year shall be established based upon such Budget, although the delivery of a copy of said Budget to each owner shall not affect the liability of any owner for such assessment. Should the Board of Directors at any time determine, in the sole discretion of said Board of Directors, that the assessments levied are or may prove to be insufficient to pay the costs of operation and management of the CONDOMINIUM, or in the event of emergencies, said Board of Directors shall have the authority to levy such additional assessment or assessments as it shall deem to be necessary.

D. The Board of Directors of ASSOCIATION, in establishing said Annual Budget for operation, management and maintenance of the Project shall include therein a sum to be collected and maintained as reserve fund for replacement of COMMON ELEMENTS and LIMITED COMMON ELEMENTS, which reserve fund shall be for the purpose of enabling ASSOCIATION to replace structural elements and mechanical equipment constituting a part of the COMMON ELEMENTS and LIMITED COMMON ELEMENTS as well as the replacement of personal property which may constitute a portion of the COMMON ELEMENTS and LIMITED COMMON ELEMENTS held for the joint use and benefit of all of the owners of all DWELLINGS. The amount to be allocated to such Reserve Fund for Replacements shall be established by said Board of Directors so as to accrue and maintain at all times a sum reasonably necessary to anticipate the need for replacements of said COMMON ELEMENTS and LIMITED COMMON ELEMENTS. The amount collected and allocated to the Reserve Fund for Replacements from time to time shall be maintained in a separate account by ASSOCIATION, although nothing herein contained shall limit ASSOCIATION from applying any monies in such Reserve Fund for Replacements to meet other needs or requirements of ASSOCIATION in operating or managing the Project in the event of emergencies, or in the event that the sums collected from the owners of DWELLINGS are insufficient to meet the then fiscal financial requirements of ASSOCIATION, but it shall not be a requirement that these monies be used for such latter purposes, as a separate assessment may be levied therefor if deemed to be preferable by the Board of Directors of ASSOCIATION in the sole discretion of said Board of Directors.

E. The Board of Directors of ASSOCIATION, in establishing said Annual Budget for operation, management and maintenance of the Project, shall include therein a sum to be collected and maintained as a general operating reserve which shall be used to provide a measure of financial stability during periods of special stress when such sums may be used to meet deficiencies from time to time existing as a result of delinquent payment of assessments by owners of DWELLINGS, as a result of emergencies or for other reason placing financial stress upon the ASSOCIATION.

F. All monies collected by ASSOCIATION shall be treated as the separate property of the said ASSOCIATION, and such monies may be applied by the said ASSOCIATION to the payment of any expense of operating and managing the CONDOMINIUM, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Master Deed and the Articles of Incorporation and By-Laws of said ASSOCIATION and as the monies for any assessment are paid unto ASSOCIATION by any owner of a DWELLING the same may
